January, February, March - Grand Knight's Report

Isaiah 9:6

"For to us a child is born, to us a son is given. And he will be called Wonder Counselor, Mighty God, Everlasting Father, Prince of Peace."

Brother Knights,

Advent season is a time to prepare for Christmas – the anticipation of the birth of Jesus Christ and the hope for his second coming. Advent embraces hopeful waiting, deepened faith, resilient joy, and courageous peacemaking in our suffering world. When was the last time you sat quietly in adoration and truly reflected on your hopes for this season? Or what you long for Christ to heal in your life? Charity is one of the three virtues of our organization. We are called to share His divine love to others through generosity and helpfulness for those who are suffering or in need. Do you know someone who may be lonely that you can take time to visit? Perhaps providing a home-cooked meal or groceries to a family who is struggling financially. Whatever the need, do it in the spirit of humility – expecting nothing in return. Be vigilant, stay awake! “So too, you also must be prepared, for at an hour you do not expect, the Son of Man will come.”

Knights In Our Community

Shout out to Steve Goodman and his crew for hosting the annual Halloween/Bingo party for adults with special needs on October 15 at Knights Hall. This annual event is always a highlight for so many attendees. An enjoyable time was had by all!

Message from Our Insurance Agent

Brothers,

A blessed Advent to you all.

As we anticipate the coming of Christ at Christmas, it's undoubtedly a busy time of year for so many of us. There are meals to prepare, gatherings to attend and gifts to buy, but we know, these are labors of love. We love our families and want this holy time of year to be special for them.

These moments we share with our families are precious, and they should cause us to reflect on what it is we cherish in our lives and strive to protect. What would life look like if the unexpected were to happen?

I invite you this season to consider protecting what matters most through the gift of life insurance.

The right life insurance coverage can mean financial security for your family. It can mean the ability for them to have income to help minimize the impact of an untimely death on their level of financial comfort. It can shield against debt or remaining mortgage payments, so your family is protected if you or your spouse dies unexpectedly.

Depending on your policy, it could also be the seeds of a growing financial legacy – a foundation to give your loved ones so they can continue to build upon what you've worked for. Simply put, life insurance is the gift of protection and stability for the most important people in our lives.

Let's schedule time to connect before the end of the year so we can explore affordable options together that can help make a big difference for your peace of mind in 2026 and for years to come.

Thank you!

Vivat Jesus!
