  - Facilities and the Plants and Grounds team are looking at options to immediately replace the floor in a manner that is safe and minimizes impact to SPS school and SPS sports needs

again to all who attended and the great team we had in place to organize it led by Mike and Ann Kissane and Jason and Jen Chamberlain.

#### Old Business:

Update on bldg. project: Mike provided an update from the Plants and Grounds team: Building next steps to occur over the next few weeks include: finalization of outside concrete, fencing, and seeding. Plans are in the works for the structure and function of the inside of the building. All agreed at the meeting that the building will be a multi-use facility serving the needs of the church, school, and athletics. Athletic Goal from the AA to P&G team is to have our athletes warmly lifting weights and hitting in the building by late fall.

Open Coaching Positions: All positions are filled at this point.

#### New Business:

##### Fall Sports Assistant ADs:

- Football Team Assistant ADs are in place
- Volleyball and XC Assistant Ads will be identified by Pat and his coaches during the parent meetings
- If Job descriptions are needed for these positions, the AA has them and will provide them

- Dates we determined for the AA meetings for FY2020 (see below for details)
