

## **St. Patrick Athletic Association: 4-5-20**

(Officer meeting via phone conference)

Meeting called to order and opening prayer: by Mike Coyne at 6:34 p.m.

Present: Mike Coyne, Todd Davlin, Kim Schrauben, Dan Lawless, and Pat Russman.

Report from Treasurer (Dan): Dan reviewed our latest financial reports and took the action of re-looking at our FY20 and FY21 budgets with an understanding that some of the Spring sports planned expenses will not happen, but we also cannot expect to see the planned revenue associated with the auction. These are significant unexpected changes to our budget and a revised forecast will help us understand if we can continue to support the Fr Flohe building interior needs we committed to in February as well as fund 2020/21 Sports.

Report of the Athletic Director (Pat): M.H.S.A.A . has cancelled all winter and spring sports for 2020. Baseball/softball fields were ready to go. All set for next year. Waiting on invitational fees that were paid out for spring sporting events. Pat will follow up on that. Port A Potty at Fr Flohe field will be picked up. Pat will inform fall coaches when they are able to begin summer practices/open gym times, when the M.H.S.A.A. gives the okay to begin again.

### Sports Raffle :

SPS Administration will decide what to do with items that cannot be returned or used for the 2021 auction.

Update on Father Flohe Building : Activity had begun on the inside of the building with partial foam insulation. Project is on hold for now with the Governor's Order.
