The yearly St. Patrick School Calendar is [here](#).

Progress Reports: Progress reports for the fourth quarter for grades 3-11 are available on the Infinite Campus Parent/Student Portal.

NHS Blood Drive: St. Patrick Catholic School will be hosting a blood drive on May 20th from 8:00 A.M. to 1:45 P.M. It will be sponsored by the St. Patrick National Honer Society. To schedule an appointment log onto RedCrossBlood.org or call 1-800-RED CROSS (1-800-733-2767). You could save 15 minutes by visiting RedCrossBlood.org/RapidPass to complete your pre-donation reading and health history questions on the day of your appointment.

Meitler Group Survey: As part of an ongoing effort to ensure that St. Patrick School remain strong and vibrant, we have initiated a planning process and engaged the services of Meitler, a national Catholic school planning firm, to work with us. An important part of our planning involves hearing from adult parishioners, as well as non-parish families who have students enrolled at St. Patrick School. We ask you to complete an online survey to share your insights and opinions. The link to the survey was emailed to you last Friday. The survey link will be open from May 2 to May 12. Your perspective is important to us. Thank you for your willingness to participate.

Summer Solutions: Attached you will find an order form for Summer Solutions. Simple Solutions is a program that DK-5 classes used all school year and the summer workbook would be helpful for students to use during the summer. All subjects are available to choose from.
